

Co-funded by the
Erasmus+ Programme
of the European Union

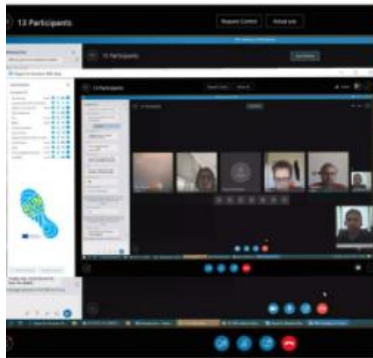

***Erasmus+ Program: Promoting health enhancing
physical activity and social welfare through outdoor
running events***

Collaboration:

2nd Translational Meeting:

The 2nd translational meeting took place in the Mulier's Sport Institute facilities, in Utrecht, Holland (19-20, September, 2019). The project's developments were discussed. Ideas for further dissemination of the results of the project were presented.

3rd Translational Meeting:

Due to the COVID 19 situation, the 3rd translational meeting took place on-line on the 7th of May. The project's outputs were discussed. Problems related to the pandemic situation in terms of the delivery of the outcomes of the project were discussed.

Dissemination process

Article Image

The Run for Health project was presented by Dr. Irena Valantine and Dr. Rasa Kreivyte at the Sport Forum-International Scientific Conference, dedicated to the 85th Anniversary of Lithuanian Sports University, in November 2019, in Kaunas, Lithuania.

Dr. Ondrej Mitás made an oral presentation of the "Run for Health" project and the impact of running events' participation on individuals' well-being in Prague, Czech Republic. The presentation was well received by participants.

The "Run for Health" project and its preliminary results were presented by Dr. Kostas Alexandris at the 20th Congress of Hellenic Scientific Association for Sport Management and Recreation, in January 2020, in Thessaloniki, Greece.

EASM Virtual Conference

Do not miss the upcoming virtual conference of the European Association for Sport Management (<https://easm2020.com/>). The "Run for Health" project will host a workshop with the final results of the project. See you there!
